

## **OBESITY MANAGEMENT: From science to action, from lectures to hands-on experience**

**Sheraton Grand Walkerhill Hotel: Seoul, Korea  
Sunday 11th February 2007: 09.00 – 12.00 hrs**

**09:00 - 09:20**

*The global problem of obesity and the need for immediate action. With obesity increasing in every part of the world, the need for a concerted action is becoming imminent.*

**Professor Stephan Rössner:** Stockholm, Sweden

**09:20 - 10:00**

*From Theory Into Clinical Practice. Translating the scientific evidence into practical working long term treatment strategies.*

**Professor Ian Caterson:** Sydney, Australia

**09:40 – 10:20**

*Clinical Approach of Obesity in a Primary Care Setting from a Korean Perspective. Adapting internationally accepted guidelines into the particular needs of the Korean society.*

**Professor Jae Heon Kang:** Seoul, Korea

**10:20 - 10:40**

**Coffee Break**

**10:40 - 11:20**

*Protein, carbohydrate and satiety. Trendy diets have made it difficult for the public to understand what is scientifically based and what is fraud. What should we believe?*

**Professor Arne V. Astrup:** Copenhagen, Denmark

**11:20 - 11:40**

*The SCOPE Internet Program - a new integrated tool for future international use in the education of the obesity treatment team.*

*Background and practical on line demonstration*

**Professor Stephan Rössner:** Stockholm, Sweden

**11:40 – 12:00**

**Summing up and Closure**
